

DEMCO CL Pressure Sensitive Laminators

The Ademco CL laminator is available in three widths—25”, 39”, and 51”. The 39” and 51” laminators include a stand. The Ademco CL is a sturdy electric laminator which is easy to operate. Suitable for cold mounting and laminating a wide range of prints, including photographs, inkjet prints, posters and more. High quality silicon rollers, supply roll shaft (tension control), and a foot switch for hands free operation are standard features with the Ademco laminator. These features are considered optional with some laminators and can cost hundreds of dollars or more.

Ademco CL Features

- (a) Supply Roll Shaft with built-in tension control
- (b) Roller height adjustment
- (c) Silicon Rollers
- (d) Variable Speed control
- (e) Rugged Steel construction
- (f) Foot Pedal

DEMCO Mounting and Laminating Supplies

Self-Adhesive Mounting Boards Available in Foam, Gator and Sintra with Permanent high tack adhesive. Sizes range from 8”x10” to 48”x96”. Available in White and Black.

Mounting Adhesives Films are adhesive coated on both sides to adhere prints to boards. Available in sheets (8.5”x11” to 24”x36”) or rolls (12” to 51” wide).

Laminating Film Sheets To protect and enhance the finish of your image. Available in Gloss, Matte or Canvas with initially removable adhesives. Sizes range from 18.5”x24.5” to 24.5”x36.5”.

Laminating Film Rolls Available in Gloss and Matte finishes with initially removable adhesive. Sizes range from 21” to 51” wide x 200’. Features easy to remove thick “Crack and Peel” liner.

Linerless Gloss Films The easiest cold laminating film to apply. Film is a thin 1.3 mil polyester with high tack permanent adhesive. Sizes range from 12” to 38” wide x 200’.

We carry moldings, cutters and more to help you complete your display.
